

Character Traits

- 1.) First, identify one character trait for Austin, Payton, and Uncle Ted. A character trait is what someone is like on the inside. An example would be deciding that a character is a brave, responsible, or a kind person.
- 2.) Give “evidence” from the story as proof for your thinking. Write about something the character did, something the character said, or something someone else said about the character that shows why you think the character has that trait.
- 3.) Share your work with someone and talk to that person about his ideas; see if you agree with the traits each of you has identified.
